

GEORDI STAINLESS SALES PTY LTD **QUALITY POLICY STATEMENT**

The prime goal of the company is to provide our customer with a professional product and service. Consequently Geordi Stainless Sales will endeavour to:

- Understand the customers needs and objectives;
- Ensure the customer receives the product and service most suited to their application;
- Ensure the product is reliable;
- Supply the product at a competitive price;
- Provide the product on time;
- Meet conditions and costs as agreed by the contract;
- Provide the customer with prompt and reliable feedback on progress and changes for enquires and orders.

In support of the company goal and objectives Geordi Stainless Sales is committed to develop, implement and maintain a management system that complies to the Australian / New Zealand / International Quality Assurance Standard AS/NZS ISO 9001. Management and personnel are required to implement the requirements of the system, and management will ensure the regular review of the system to maintain its suitability and effectiveness.
